## **The Jolly Roger Raft Race**

**This year's raft race will take place on Saturday 22<sup>nd</sup> August @ 1:00pm**

### **RULES AND REGULATIONS**

**Please take a moment to read the rules carefully. It will save the hassle of trying to impose them on the day.**

- **There is a non-refundable fee of £25 per team**
- **All the rafts are to be constructed from readily available non-specialist materials**
- **No purpose made hulls i.e. Dinghies, Canoes; etc... may be used in the construction. No engines of any description**
- **Rafts must be constructed for safety i.e. No protruding nails, No sharp edges, etc... any craft deemed to be unsafe to members of a team or other competitors will not be allowed to race**
- **All rafts will provide adequate floatation so as to keep afloat all members of the team on board**
- **Each raft may fly a battle flag for identification**
- **Competitors are responsible for taking their rafts away at the end of the race**
- **Whilst the organisers will give every assistance, sunk rafts are the responsibility of the competitors**
- **All competitors are to take care and avoid any moored craft in the harbour and will take responsibility for any damage incurred to the moored craft**
- **Whilst every attempt will be made to ensure the safety and fun of the competitors, their equipment and other craft associated with the race, the organisers cannot accept responsibility for any damage to craft or competitors**

**Thank you**
